Rishi Scientist of India

Date: 12/07/2024

Time: 2:00-4:00 Pm

Venue: MBIT Auditorium

Speaker: Dr. Vibha Vaishnav; Professor, Electronics Department, S. P. University

On 12/07/2024 a session titled "Rishi Scientist" held at MBIT aimed to enlighten students about the intersection of humanity, spirituality, and the profound scientific contributions made by ancient Indian sages, known as Rishis and Maharishis. Dr. Vibha Vaishnav, a distinguished professor from the Electronics Department at Sardar Patel University, graced the event as the chief guest and program facilitator. She is serving as an Hon. Director, C C Patel Community Science Center, Vallabh Vidyanagar. The program was organized under the joint auspices of MBIT Astronomy club and CSC Khagol Mandal.

In summary, the "Rishi Scientist" session at MBIT College provided a compelling insight into the holistic contributions of ancient Indian sages, bridging the gap between spirituality and scientific prowess. Dr. Vibha Vaishnav's expertise and engaging presentation style ensured that the session was both enlightening and enjoyable for all attendees. "Literature is one of the most interesting and significant expressions of humanity." This quote resonated throughout the session, emphasizing the enduring impact of ancient Indian wisdom and knowledge systems on humanity. The programme was successfully organized by Dr Forum M Joshi, Assistant Professor, ASH department under the able guidance of Dr Darshana Prajapati, HoD. Principal Dr Sudhir Vegad congratulated the organizers for the successful execution of the event. More than 250 students participated in this celebration.
