## **DAY 1 :**

**Time :** 9:45 AM to 3:45 PM

**Participants :** 120 Participants

**Event type :** Seminar on 'Career Guidance'

**Expert Speaker :** Viral Bhadgavkar , Hardik Pathak , Divya Chhabaria

On the first day of our remarkable event burst into action with a series of enlightening keynote addresses, setting the tone for an engaging and informative experience that would leave a lasting impact on all participants. The inaugural keynote session plunged deep into the vast ocean of career possibilities that await B.Tech graduates. It explored a rich tapestry of career paths, ranging from the dynamic world of Industry to the realm of Academia, the fulfilling landscape of Government Jobs, the pursuit of Higher Education, and the exciting terrain of startups. As a bonus, attendees had the unique opportunity to undergo a personalized career assessment test, helping them chart a course tailored to their individual strengths and aspirations.

Following this insightful journey into career prospects, the spotlight gracefully shifted to illuminate the intricacies of IEEE's structure and the multitude of benefits it extends to its esteemed members. Attendees were introduced to the intricate web of IEEE's organizational framework, gaining valuable insights into the resources and support available to them as IEEE members.

The third keynote presentation was a pivotal moment in the program, as it illuminated the path from being an IEEE Student member to evolving into a Young Professional. This session not only highlighted the wealth of opportunities nestled within the IEEE ecosystem but also delved into the best practices of Student Branches, available funding resources, the accessibility of travel grants, and the prestige associated with IEEE Awards. It was a crucial step in empowering our budding professionals with the knowledge and resources they need to thrive in their careers.

Beyond these remarkable keynote sessions, the program's highlights included a dynamic and thought-provoking panel discussion, expertly themed around the "Student to Young Professional Transition." This interactive session brought together seasoned professionals and emerging talents, fostering an environment for the exchange of wisdom, ideas, and experiences. Participants had the chance to engage in meaningful dialogue, gaining valuable insights into the challenges and opportunities that lie ahead on their professional journey.

## **GLIMPSES:**

## **DAY 2:**

**Time :** 7:00 AM to 6:00 PM

**Participants :** 46 Participants

**Event type :** Industrial Visit

**Activities conducted :**

- Visited Sardar Savor Dam.
- Visited the Statue of Unity.

On the second day of our event was equally captivating, featuring an engaging industrial visit to the awe-inspiring Sardar Sarovar Dam and the iconic Statue of Unity. This excursion provided participants with a firsthand look at the intricacies of dam construction, with expert guidance enhancing their understanding of this remarkable engineering feat. Furthermore, the museum situated at the base of the Statue of Unity offered a sensory-rich experience, equipped with modern audio-visual systems that provided a profound and inspiring insight into the life and indomitable work of the visionary leader, Sardar Vallabhbhai Patel.

Overall, our event left an indelible mark on all participants, equipping them with knowledge, connections, and inspiration to embark on their professional journeys with confidence and determination.
