## 25th September, 2024

Organized By: -
Information Technology Department
In collaboration with

_____

**ISTE** STUDENT CHAPTER (IT branch)

**M**adhuben & **B**hanu Bhai **P**atel **I**nstitute of **T**echnology

(A Constituent College of CVM University), New Vallabh Vidyanagar

The Workshop on **Full stack Web Development** was organized by department of Information Technology under ISTE Student Chapter of MBIT. Workshop was conducted through offline mode in B003 Lab on 25th September 2024 during 9:30 am to 4:30 pm. Neel Navdiwala, ISTE member, commenced the session with an expert introduction.

The expert was Mr. Sumit Chavla. He is CEO of Venom Technology,Anand . He has completed his MCA from SP University. he is an expert in Full stack web Development.

he delivered brief introduction of **Full Stack and Its Applications**. he explored basics of Fullstack with Live examples. Some amazing topics covered by Speaker are:

A full-stack developer requires skills such as Front-end Languages and Frameworks (HTML, CSS, JavaScript), back-end Technologies and Frameworks (NodeJS, ExpressJS, Django, Flask, C++), Database Management Systems (MySQL, SQL SERVER and PostgreSQL, MongoDB, and Oracle Database).

Neel Navdiwala, an ISTE student coordinator gave a vote of thanks at the end of event. he also thanked Prof. Jagruti Prajapati, i/c Head of the department for their constant support and encouragement which always helps us to carry out such event. The workshop was conducted under the guidance of Prof. Priyanka Panchal, Prof. Bhumika Prajapati, Prof. Jimesh Rana and Prof. Pritesh Pandey. ISTE coordinators Neel Navdiwala and Vrunda Chauhan (Student, IT/CE Branch) had provided background support for successful conduction of this webinar.

## Organized Team:

We are thankful to our principal and CVM University for providing such opportunity which provide us a platform to conduct such Workshop for the students and gaining knowledge. We are also grateful to CVM University for providing financial support for this Workshop.

## No. of Participant: 66

## Feedback:

- The session was very informative and gave great idea about concept of Fullstack. – **Harsh Soni**
- Sir has explained concept very nicely and in short period of time. – **Neel kumar Patel**
- Thank you ISTE team for conducting such a knowledge gathering Workshop. – **Ravi Vataliya**
- Lots of things to learn for this webinar. It is very helpful to improve our knowledge in Full Stack Web Development. It was such a very amazing Workshop. – **Maitry Chauhan**
